

# Filipino Seniors of Mississauga Bulletin

## A Message from our President

**“LET’S GET THE PARTY STARTED!!”**

The Filipino Seniors of Mississauga is off to a good start in 2022!

On Saturday, February 12, our first drop in of the year was held at the Mississauga Valley Community Centre. There were 24 members present and eager to renew friendships and socialize.

We brought our own food and drinks and we also celebrated Valentines Day.

On Saturday, February 26, 2022, a general membership meeting was held. We had 50 members in attendance, and we introduced the new officers and all members of the Filipino Seniors of Mississauga Association.

Due to Covid, it was difficult getting together as a community, connecting with family, and staying in touch with friends. However, with the loosening of Covid restrictions and the signs of spring all around us, we hope this will be the end of Covid and the start of our parties and activities that have made FSM famous across all of Mississauga!

On behalf of the Board of Directors and Committee Chairs, we look forward to seeing you throughout the year!

Stay safe and healthy!
