Acknowledgements to City of Mississauga and Mississauga Valley Community Centre

The Filipino Seniors of Mississauga (FSM) would like to take this opportunity to officially recognize and express our heartfelt gratitude to the City of Mississauga and the administrative personnel of The Mississauga Valley Community Centre (MVCC) for enabling us the use of the MVCC room facilities for free all these years.

The savings realized from the free use of the room facilities every Wednesdays and Saturdays have afforded our association significant savings and have greatly supplemented our programs for our senior members.

A big Thank you for all the continued support and accommodations from the Filipino Seniors of Mississauga (FSM).
