Cesar Crus - President's Report:

Welcome to our Annual General Meeting. I would like to start by giving recognition to those members who are no longer with us. May they rest in peace.

2019 has been a very memorable and wonderful year for us. There have been many great experiences that we have shared together. Our monthly birthday celebrations have been successful and very enjoyable. I hope we can keep this up.

To our five main committees: membership, fundraising, sunshine, and food: your hard work has not gone unnoticed. On behalf of all members of The Filipino Seniors of Mississauga, thank you for your contributions into making this a strong and supportive group.

Another thank you to Vangie Alcasid and Luz Aguilar who lead the New Horizons for Seniors Program. Due to their support and efforts, we were able to experience excursions that were very enlightening, educational and extravagant. They also contributed to other events such as the Autumn Fest Dinner Dance – events that we all thoroughly enjoyed. Their committee and members were outstanding and we hope to see the continuation of support, dedication and hard work for the upcoming year. I would like to extend our gratitude to all of them.

I want to thank Chit a., Angel and Espie for looking after our property needs and inventory. Also, thank you to Rudy Alcasid / Peter Santos for looking after our public relations with the media and other organizations. I also would like to thank all those who accepted temporary assignments.

We the Filipino Seniors of Mississauga is a very special group. Through our adventures, we have built strong relationships. Our goal of creating new friends and enhancing old friendships, has been reached. And in order to sustain the power of this wonderful group, we shall continue to demonstrate the FSMs core values of: Integrity, Accountability, Diligence, Discipline and Perseverance. We have built this together and we shall continue that tradition.*

FILIPINO SENIORS OF MISSISSAUGA

Today, we are also going to select our new officers who will be at those positions for the next two years. I encourage all of you to exercise your right to vote and select the people who you think can succeed in their duties.

I would like to close by thanking those officers, board of directors and committee members for their hard work these last two years. It has been a pleasurable experience. Keep up the good work.

Ladies and gentlemen, our financial statements are fully transparent and in-order. The FSM is budgeted very well and here to discuss it in more detail is our treasurer, Carmen Leon.
